

Why Register

Your registration helps pay for the convention facilities, equipment, maintenance, printing registration packets, administrative expenses, you name it; therefore, upholding our 7th tradition - *“NA is fully self-supporting, declining outside contributions.”*

Pre-registration is also used to calculate newcomer donations so that we may further our Primary Purpose *“...to carry the message to the addict who still suffers.”* This ensures that no addict ever will be denied admission and all who attend can receive a registration packet.

****Any fees collected from registration help make this and future conventions possible.**
